

## **ORDINANCE 96-5**

July 9, 2009

### **Resolution:**

In the event during extremely cold weather that the Village Water/Sewer Chairman or the Village President finds it prudent to issue a "Run Water Advisory" to protect the homeowners' water service, and alert shall be placed in the media. It shall be issued to run a stream of water the diameter of a pencil lead to prevent pipes from freezing. It will be up to the discretion of the homeowner whether to heed the advisory or ignore it. Any additional water usage charges will be the responsibility of the homeowner.
