A Short-Term Rental (STR) is defined by ordinance as “Any building, house, cabin or other structure or portion thereof which forms a single habitable unit having facilities which are used or intended to be used for sleeping, cooking, eating and bathing purposes and is used for accommodating one or more renters for any lease period of less than 30 days.” Specifically excluded are commercial hotels, motels and bed and breakfasts as those terms are defined in the Village of Beulah’s Zoning Ordinance. Also specifically excluded are short-term rentals totaling not more than two weeks (14 days) in any calendar year.

All STR’s must be registered annually with the Village of Beulah. **Multiple STR’s at a single location must all register separately.** Additional Registration Forms are available from the Village of Beulah’s office at 7228 Commercial Street, and on its website <https://www.villageofbeulah.net>. A registration fee of \$200 per STR must accompany the Registration Form.
